Pursuant to Rule 41(a)(1)(A)(ii), Federal Rules of Civil Procedure, plaintiff Abram Badalyan and defendants Sodexo, Inc., Sodexo Laundry Services, Inc., Sodexo America, LLC, and Sodexo Vending Services, LLC, acting by and through their attorneys of record, hereby stipulate as follows:

1. Plaintiff commenced this putative wage-and-hour class action in the Superior Court of California in and for the County of Alameda on July 13, 2010. It was removed to this Court on August 12, 2010, on two independent grounds: diversity-of-citizenship jurisdiction under the Class Action Fairness Act of 2005; and federal subject-matter jurisdiction based on complete preemption of plaintiff's state law claims under the Employee Retirement Income Security Act of 1974. However, no class has been certified in the action, and no notice of the action has been sent to putative class members.

2. The parties have reached a resolution of plaintiff's individual claims.

3. Based on that resolution, the parties stipulate that the claims asserted by plaintiff on behalf of himself individually be dismissed with prejudice; that the claims asserted by plaintiff on behalf of the class he proposed be dismissed without prejudice; and that each side bears its own costs and attorneys' fees.
